

## *Renewing Christian Disciples, Strengthening Local Churches*

We can only achieve this mission statement if the participants of Emmaus Ministries' events are active in their local church and in our Emmaus Community after their event.

Chrysalis Flights lead participants on a transformation journey from caterpillars to butterflies, but what happens after the flight? What is the purpose of a butterfly? Butterflies look beautiful and in this way speak of the Glory of God, but is this their main purpose? Butterflies need to lay eggs and start the cycle again so that many new caterpillars are born who will also transform through the chrysalis and become butterflies.

Emmaus Ministries is a Fourth Day movement and so it is really what happens after the event that makes a difference in the Kingdom of God.

You can only be a participant on an Emmaus Ministries event once, but you can grow The Kingdom by becoming a Team Member.

## *Sharing God's Love*

### **Emmaus Ministries Offerings:**

**The Walk to Emmaus** is for Christians over 18 who desire a deeper and meaningful walk with the risen Christ. The program is designed to grow and nurture Christian leaders for the local churches. Pilgrims can make new Christian friends and be inspired anew by God's love and grace. [emmaus.upperroom.org](http://emmaus.upperroom.org)

**Chrysalis** is designed to help young people (between 15 – 18) grow spiritually in ways that lead to wholeness and increased readiness to live out their Christian discipleship in today's world.

# Being a Team Member

“whoever would be first among you must be slave of all.” [Mk 10:44]

## The Emmaus Servanthood Model

When choosing the team for an event there are several factors that are taken into consideration. The first is volunteering. Volunteers are willing to serve and so generally make good team members.

The next factor is “Progressive Servanthood”. People are chosen to serve at a low level initially and move up the responsibility ladder each time they serve. This helps the Emmaus Ministries Movement by equipping people for future events, and it helps people develop their leadership abilities for use in God's Kingdom. The aim on each team is to have one third experienced team members who have served many times, one third who have served once or twice and the final third new people who have never served.

The final factor is inclusiveness and diversity. Emmaus Ministries wants to get as many different people as possible to serve on team. The team members should also not all look the same. People from different denominations, ages, races and cultural background are chosen where possible. Obviously, ability to perform the role is also important – non-musical musicians, for example, aren't of much use to the team.

**There is a reason why you have been chosen to serve in your position!**

This model helps to fulfil our mission statement:

*Renewing Christian Disciples,  
Strengthening Local Churches*

## Why Serve on Team?

- ⊙ To help pass on the love and the blessing that you received when you attended your Emmaus Ministries Event.
- ⊙ To use the gifts God has given to you.
- ⊙ To grow your ministry in God's Kingdom.
- ⊙ To make a difference in your life, in the lives of those around you and in our world.
- ⊙ **TO BE PART OF GOD'S WORK IN PEOPLE'S LIVES!**

Serving on team is one of the ways you can become the **Hands and Feet of Christ**.

“Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. I have set you an example that you should do as I have done for you.”

[Jn 1:14-15]
